# THANKS FOR PURCHASING THIS SMARTWATCH. WE PUT A LOT OF WORK INTO MAKING SURE IT WORKS RIGHT.

This is an official Geek Squad® Certified Refurbished Product. That means this Samsung Galaxy Gear Smartwatch has been thoroughly tested and inspected to confirm the following so you can confidently enjoy it far into the future. (We know you will. Because we've been to the future and seen it.)

- A Custom Hardware Diagnostic Check has been performed; tests include: LCD, Vibration, Camera, Sensors, Touch Screen, Sleep, and Speakers
- All data has been removed and the Galaxy Gear has been restored to factory settings
- Galaxy Gear and accessories have been inspected for like-new condition
- Galaxy Gear and accessories have been thoroughly cleaned
- Serial Number has been recorded
- Charger and cradle have been tested for full functionality
- Input/Output port, battery and AC Adaptor have been tested for full functionality

**Having passed these tests with flying colors, your Samsung Galaxy Gear Smartwatch is in tip-top shape. Power up and enjoy.**
