Customer must purchase the Service in one-year increments. Training and training services are not included in the Service, but are available at Geek Squad’s standard service rate. If Geek Squad is unable to successfully complete one of the services set forth above in-store or by logging-in remotely to the Customer’s computer, Customer may purchase a Geek Squad service to address the issue at a 15% discount from the regular service price.

Customer pre-requisites: The Service requires a functioning high-speed Internet connection, and up-to-date antivirus software installed on the PCs.

3. PAYMENT

If Customer would like to continue the Service after expiration of the initial Service period, Customer agrees to pay the Service fees (including any applicable taxes) for any extension of the Service at the rates in effect at the time of extension. Unless stated in writing otherwise, all fees and charges are nonrefundable. Geek Squad may change the fees and charges then in effect, or add new fees or charges, by giving Customer notice in advance.

If Customer signs up for automatic renewal, his or her subscription will renew automatically at the end of each 12-month period, unless Geek Squad terminates the subscription or Customer notifies Geek Squad of his or her decision to terminate the subscription. Geek Squad will bill all charges automatically to Customer’s credit card at the beginning of every renewal period, at the rates then in effect, unless Customer notifies Geek Squad otherwise. Geek Squad will notify Customer of the pending subscription renewal at least 30 days prior to the date the subscription is scheduled to renew, except as otherwise required by law. Customer must cancel his or her subscription before it renews in order to avoid billing of subscription fees for the renewal term to his or her credit card.
